

Disappearance of the Outside

**Edmonton, Alberta,
in the time of COVID-19**

2020

November

Downtown

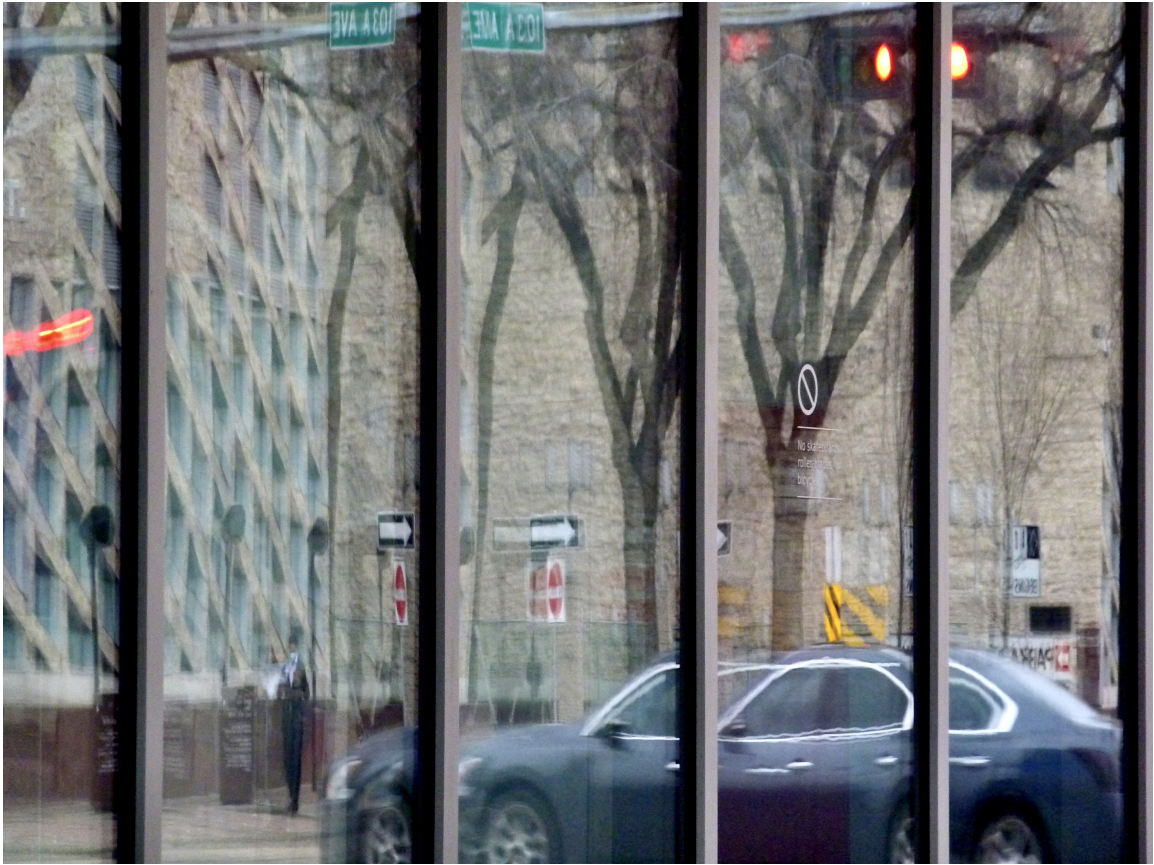

Lesley Battler

election day

familial disjunction

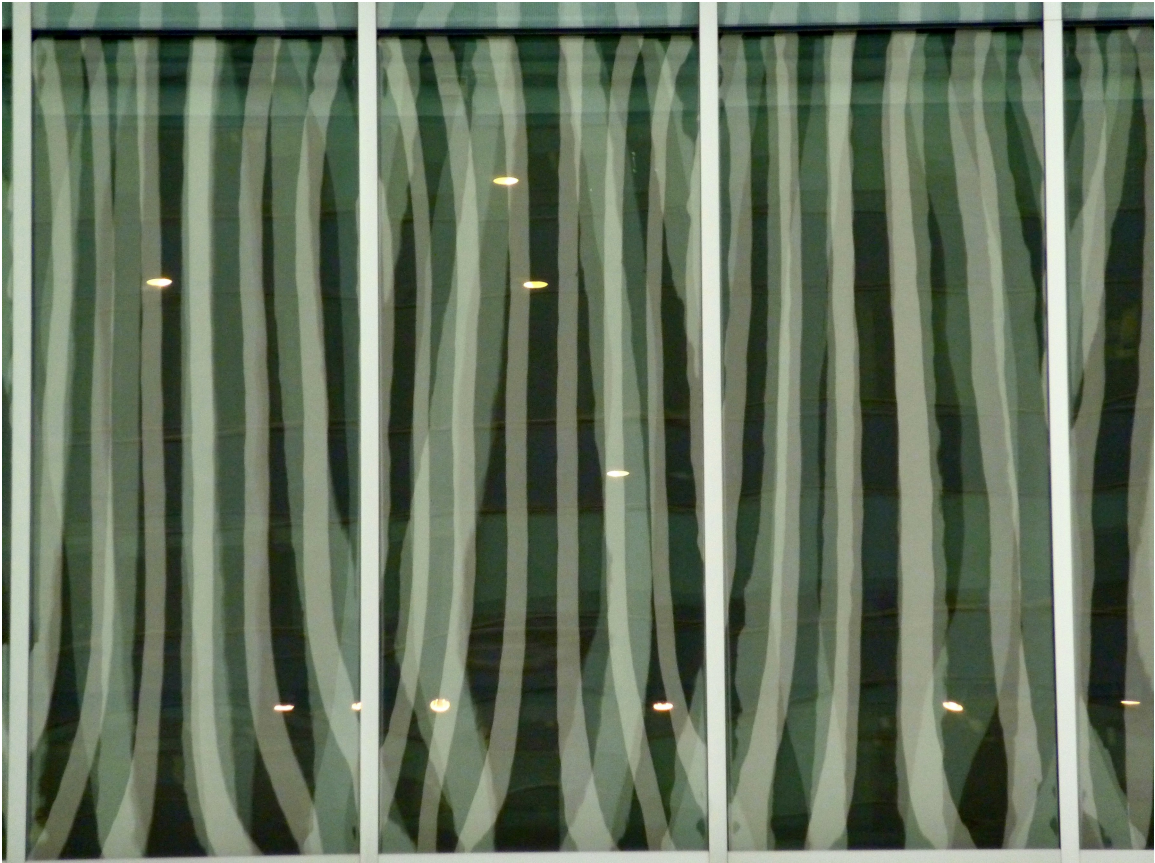

active implication

dream revealing itself

politics of the gaze

walking into a story

ritual dance

profoundly frightening to the temporal order

collusion of arrangement

dream police academy

doubting my own doubts

aftermath

subverting the physical setting

following the covert story

curfew of sorts

arranged illusion

making an alphabet fit the page

monolith, revealed

dark flight
